Some things are meant to be.

Purchasing an engagement ring is a monumental occasion in a couple's life. At Rick Mahonski Goldsmith, we can create a unique ring that will get noticed wherever you go. Your dream ring should make a statement about you and the man who chose it.

Once you have determined your unique style let us work with you to stay within your budget. We are dedicated to providing the finest craftsmenship and diamond in each ring. With over 30 years experience, we provide assistance every step of the way. That is the beauty of our dedication to you and fullfillment of your dream.

Any of the settings in this catalog can be used to reset your diamond and give it the uniqueness deserved. If your setting is old or worn, let us give it new life in a setting that reflects you.

Come in and let us show you the best diamond, at a price no one else can beat. We do not use commercial goods. Only the finest hand selected diamonds are used in our settings. We will work diligently to give you the finest craftsmenship and diamond money can buy.
